

Project Architect

Bittoni Architects is a unique architectural practice located in West Los Angeles. We are looking to hire an energetic and talented Junior Architect to fill an immediately available position.

Our ideal candidate would have previous multi-family residential experience and demonstrate proficient knowledge of single-family residential projects. The best part about this position is that you will get exposed to a bit of everything and grow with the firm.

Requirements:

Professional Degree in Architecture

A minimum 5-7 years of professional experience

Excellent organizational, and project management skills

Knowledge of technical detailing and construction documentation

Ability to work with consultants, contractors, fabricators, and agencies to meet overall project objectives

Proficiency in ArchiCad or other BIM software platforms

Fluency in written and spoken English

Hands-on approach and highly motivated

Ability to work in a small firm culture

Self-disciplined and confident

Currently located in Los Angeles

This position comes with an immediate start date, and salary is dependent on experience. 401k and health benefits included.

To Apply: Submit Cover Letter, Resume, & work samples in PDF format via email to work@bittoniarchitects.com.

No phone calls please.
